Applicant's amendments and remarks filed 01/11/06 have been received and reviewed.

Claims 1-14 are pending in this application.

Claim Rejections - 35 USC § 112

Claims 1-5 and 9-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

- i) In claim 1, the variables R³, R⁷ and R⁸ have not been defined. Appropriate correction is required.
- ii) There are capital letters present in the claims at the beginning of the phrases, which is improper. See "Each" three occurrences in claim 1.
- iii) The definitions of R⁷ and R⁸ in claims 2 and 3 lack antecedent basis in claim 1.
- iv) The nature of the additional agents in claims 12-14 are not known.

Claim 6 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 7 and 8 are allowed.
